

Terms and Conditions for Photo Sharing on the Pendle Hill Landscape Partnership Website

Help us celebrate the Pendle Hill summit by sharing your favourite photos on the summit—including summit selfies, family group photos and photos of our four legged friends. This is not a competition but all your photographs will be displayed at the PHLP launch event on a photo video reel, will be used on our social media platforms and other press/publicity and will be displayed on the Pendle Hill Landscape Partnership website.

1. Photographs submitted must be taken on the **summit of Pendle Hill** (we will notice if not!)
2. Electronic images only will be accepted with a maximum file size of 2mb.
3. Name and contact information is kept only for the purpose of us contacting you about using the photo in ways other than specified above or queries about the photo description. **By entering your photographs you agree to the Pendle Hill Landscape Partnership collecting, saving and processing your personal data for this purpose.**
4. If you would like your name included alongside your image in Pendle Hill Landscape Partnership social media and publications, you need to give specific consent for this when you upload your images.
5. **It is your responsibility to remove the metadata embedded within the image if you do not wish to share this with us.** We will store your images in the same format that they are uploaded to the website, including any metadata embedded within the image.
6. All entries must be the **original work** of the entrant and must not infringe the rights of any other party. The entrants must be the sole owner of copyright in all photographs entered and must have obtained permission to use or feature any people, content or other material, or must have the legal consent of the parents/guardians of any children under 18 who are featured. People should be made aware that their images may appear on our website, in a video reel and in printed and other media. Further, entrants must not have breached any laws when taking their photographs.
7. **Entrants will retain copyright** of the photographs that they submit to the Pendle Hill Landscape Partnership. By submitting your photographs all entrants **grant the Pendle Hill Landscape Partnership the right to publish** and exhibit their photographs on websites, print and other media related to the promotion of the Pendle Hill Landscape Partnership. No fees will be payable for any of the above uses. While we make every effort to credit photographers (if consented to do so), including in printed reproductions of their work, we cannot guarantee that every broadcast use of the photographs will include the photographer's name.
